

Some information about the data

Name	Email	Country	College/Company	Specialisation
Kelvin Mpofu	mpofukelvintafadzwa@gmail.com	South Africa	n/a	Data science

The data-set we have has 1 text data features/columns, 1 categorical variable value feature and 1 numerical value column.

The data set doesn't have any missing values specifically in the features. It was unbalanced in terms of the labels.
